

Mississippi UMC Clergy Spouse Retreat

September 27-28, 2019

Holiday Inn Trustmark Park Hotel in Pearl, MS

Beth Green is a minister's wife, singer, songwriter, artist, and comedian. The most important part of her life is...she is a follower of Jesus. She grew up in North Carolina, Virginia, and Ohio where her parents served in the ministry.

Since their marriage in 1974, Beth has served with her husband Joe, who retired after serving 47 years in the Holston Conference of the United Methodist Church in Kingsport, TN. Currently, he is Interim Pastor at a small church in Townsend, TN. Beth has taken on a part-time position as Interim Director of Music Ministries at a United Methodist Church in Alcoa, TN.

In 1979, Beth began working in the broadcasting field. She spent a majority of her career as a morning radio personality at several stations in Chattanooga and Knoxville. She continues to do voiceovers for radio and television commercials.

Beth and Joe are the parents of a daughter, Hannah Beth, who lives in Knoxville with her husband, James Slaughter, and their daughters, Ophelia and Azalea. Along with being a public speaker, she is a worship leader for various conferences, camps and retreats. Beth enjoys sharing her humor, since she loves to make people laugh. Her pastimes are sewing, blogging, and painting in watercolors. But her favorite pastime is spending time with her granddaughters!
